### **Our Mission – Q.E.A**

To deliver Quality, Efficient yet Affordable solutions to all customers

Egate Technologies & Solutions (formerly known as Egate IT Services) is incorporated in year 2004. We specialize in almost all IT related products, from hardware to software and from a simple office application to custom-made critical system for corporate. Our experienced and understanding of advance technologies has allowed us to support our clients from all industries.

One of our key strengths has been and remains our devotion to creating benefits and delivering real value for our clients. This radical break from the traditional approach of “selling” solutions has led to an impressive client portfolio that includes Maybank Berhad, the largest bank in the country today. This approach is also coupled with aggressive research and development efforts within Egate Technologies & Solutions to create solutions in software, methodologies and services that successfully and consistently address the needs of virtually every major industry and vertical market out there today.
